

# Creating a conducive investment climate in Indonesia

## About Us

The Indonesia Investment Promotion Center (IIPC) New York office is the official representative of the Indonesian Ministry of Investment and Downstream Industry / Indonesia Investment Coordinating Board (BKPM) covering the American continent (North America, USA, Central America, Latin America, and the Caribbean).

BKPM develops strategies to improve an end-to-end service for investors. Our team will assist investors from exploring business opportunities in Indonesia, obtaining investment licenses and incentives, and carrying out the construction stage to finishing the commercial operation stage. As the main link between business and government, the ministry is responsible for creating a conducive investment climate in Indonesia.
