PROJECT DESCRIPTION

In order to optimize land use at Hang Nadim Airport and improve Batam's competitiveness in the logistics and trade sectors, BP Batam intends to develop a logistics hub area that can streamline logistics costs for businesses in Batam. The Logistic Hub area to be developed is located in the Hang Nadim Airport Area area of + 130 ha which is aimed at providing warehousing facilities and infrastructure, halal industrial areas, and supporting facilities for logistics activities.

The provision of this halal industrial area is in line with the launch of the 2019-2024 Indonesian Sharia Economic Master Plan (MEKSI) by President Joko Widodo along with the Steering Committee of the National Sharia Finance Committee (KNKS) on May 14, 2019. MEKSI 2019-2024 is a road map for Sharia Economic Development in Indonesia, where the draft policies and strategies developed really encourage the strengthening of the Islamic economy in Indonesia.

PROJECT OWNER PROFILE

As the area manager, BP Batam has a mission to grow economic activities, such as the trade, maritime, industrial, transportation, banking, tourism and other sectors.
